Taizé Reflections

Welcome to these Taizé reflections in the absence of us gathering together in church.

Feel free to use the recording that's provided with this order of service.

You can play it in the background and just listen or you can sing along, follow the words, the prayers, whatever you want to do.

Try and choose a time when you can be quiet and still, acknowledging that even in our isolation, God is ever present with us.

There will be a time in the service where we offer prayers for ourselves, our families and friends and for the world. Just before these prayers you will be invited to light a candle to represent those prayers, if you have one get it ready now. If you don't, fear not, candles will be lit for you

The service begins with the first chant.
